

Cistell Original Collection

Chair and lounge

Cistell Original was the first piece of a collection which, over the years, has become a true icon of Vergés. It is an enveloping and comfortable chair that adapts to meeting and restaurant spaces. Cistell Original is available in a chair and lounge model. The different leg options (metallic or wooden), together with the different back options in either natural wood, dyed wood or upholstery, suggest a wide variety of combinations.
