

Goose Collection

Chair and stool

Goose is a collection of chairs with organic and calm lines. In a gesture of simplicity and precision, a single sheet of plywood curves to configure both seat and backrest, indulging the pliable warmth and expressiveness of the material.

Goose comes in five different silhouettes, chairs and a stool all highly comfortable, sharing a common aesthetic language which reinforces a sense of underlying familiarity.

Goose Collection

Shell / Carcasa

2 different shell models in ash plywood, with a natural wood finish or lacquered with open pore.

2 Modelos de recorte de carcasa en contrachapado de fresno acabado maderal natural o lacado a poro abierto.
