Diseñada por Emiliana Design Studio, Atay es una familia de mesas auxiliares y pufs que permiten ininitas combinaciones entre sí y aportan sofisticación, confort y color a los espacios de espera y reunión. La forma hexagonal confiere a la colección un aspecto singular que queda plasmado por un sugerente juego de luces y sombras en cada una de sus seis caras.

Designed by Emiliana Design Studio, the Atay family is a set of side tables and poufs that complement each other in infinitely harmonious combinations bringing sophistication, comfort and colour to waiting areas and meeting spaces. The hexagonal shape characteristic of this collection is a unique look, highlighting the suggestive play of light and shadow on each of the six facets.
